

C. International Group for Lean Construction Coaching Service-led by Alan Mossman

WANTED: Academics who will support people who want to research lean construction topics but have no skilled local coach or supervisor.

A questionnaire <https://forms.gle/e7PPoKLNgHZb7drT9> has been developed to collect details of potential coaches' interest areas and language skills among other things. Please complete the form <https://forms.gle/e7PPoKLNgHZb7drT9> and share it with others who may be interested.

Once we have **coaching supply** we can begin to **build demand** -- Identify students (and *preferably* their supervisors) who need support to get going

- Alan is developing a questionnaire <https://forms.gle/98mcpzzbS998KTBy9> for students and their supervisors to help us match coaches/supervisors with those who need help.
- Links to these forms will be added to the IGCLC website when the supply process is clear.

Collecting information from those who want coaching/supervision

The information that Alan is proposing to ask those who want coaching is:

- Name
- Institution
- Name of advisor/supervisor + email, mobile
- Current areas of interest
- Research Question(s) if any
- Hypothesis(es) if any
- Existing Qualifications
- Work experience (if any)
- Mobile/cell
- Email
- Access to: WhatsApp, Signal, Telegram, Zoom, Teams, skype?
- Languages – fluent, have some
- Time zone – Z+/-
- Where based – university, town, country

What other questions would it be helpful to ask?

We ask applicants to submit the form in English. *Should we be open to other languages?*
